### How can I drive to the front of the hotel to unload my baggage?

The hotel is located in the historic center of San Gimignano on the main street San Matteo.

You are allowed to drive to the front of the hotel to unload and load your luggage anytime, then the car must then be parked in one of the parkings just outside the walls.

signal. Pass through signal, continue always straight through intersection following signs for hotel (which after turning left onto main street, will be on your right). Please drive carefully, being in a restricted traffic zone. As you can see in the photo below, you will see these signs that force you to go left, however you are authorized to continue for the remaining 20 meters to via San Matteo. The hotel is located approximately 30 meters on the left, however, being one way road, we invite you **to drive backwards to the hotel**, so that you will then be ready to drive back to the car park from the same road you came.

### Tip:

If you have little luggage or have wheeled suitcases, you can **park directly at parking lot # 3**, use the **elevator** located in front of the parking under the trees
